DEALING WITH STUDENTS ON A ONE-TO-ONE BASIS

Staff at ETSS Wicklow are aware of and follow the Code of Practice for Staff in their dealings with students e.g. professional distance, referral, and physical contact. (ETSS Wicklow Staff Handbook)

If a staff member/visiting professional such as Speech and Language therapist/ occupational therapist has to work/deal/communicate with students on a one-to-one basis, the door, if closed, must have a vision panel and the parents must have been informed that the child will be receiving one-to-one support.

The one-to one policy will work as follows:

- Provided it is deemed appropriate for an individual, one-to-one teaching will be provided.
- When one to one teaching/counselling takes place, the classroom door will generally be closed to provide for a quiet/private learning environment. Any closed doors in one-to-one situations must have **vision panels** in line with child protection guidelines.
- If a child needs one to one teaching/counselling, parents/guardians should be informed as part of the school support process
- Substitute teachers are Garda vetted and therefore will continue with one to one teaching programmes as timetabled.
- Students on teaching practice or on work experience should never be on one to one settings with pupils in the school.
- When a child and SNA/teacher are in a one to one setting at break times, the door will remain open.

SUPERVISION

School supervision and routines will be followed by all staff to ensure that there is comprehensive supervision of students at a break time.

VISIBILITY

Teachers will ensure that students are visible and supervised at all times. Students will not be allowed to spend time in classrooms unsupervised. Students will not be put out of class.

STUDENTS TRAVELLING IN STAFF CARS

Staff members will not carry students alone in their cars. Public or private transport will be arranged to travel to and from curricular and extra-curricular events. If a child is ill, parents/ guardians will be contacted to come and collect their son/daughter.

STUDENT BEHAVIOUR

Students are encouraged to behave appropriately in class and during extra-curricular activities and inappropriate behaviour will be addressed under our Code of Behaviour.

ANTI-BULLYING POLICY

Bullying behaviour is not tolerated at ETSS Wicklow. Students are reminded of this at the beginning of each academic school year when Class Tutors explain to them exactly what bullying behaviour is. ETSS Wicklow is a **“TELLING”** school. This means that *anyone* who knows about bullying or unkind behaviour is *expected* to tell a staff member. The supports and consequences for victims and bullies are outlined in the ***Anti-Bullying Policy***.

The school uses Restorative Justice practices when possible. Lessons on this issue are dealt with in Social Personal & Health Education (SPHE), Ethical Education, Friendship Week and related subject areas.

ATTENDANCE

With regards to Child Protection we will pay particular attention to trends in regards to attendance.

TRIPS AND OUTDOOR EDUCATION

Students, Staff and Parents must familiarise themselves with the school trips policy prior to signing up for a school trip. During school trips, teachers/school staff will act in a responsible manner having regard to the fact that they are in the company of and responsible for the care of teenagers and young adults. Teachers will maintain the same standards of care as apply in school. It is important that the rules agreed by teachers and parents and signed by students are enforced by all teachers while away with students, especially with regard to the consumption of alcohol (and/or other prescribed substances) by students.

SPHE & RELATIONSHIPS SEXUALITY EDUCATION (RSE)

All ten modules of the post-primary SPHE programme delivered in Junior Cycle contribute towards the physical, mental and emotional health and well-being of students. RSE is delivered to students through Ethical Education and SPHE. The modules on personal safety, emotional health, and relationships and sexuality are particularly relevant to child welfare and protection. Further information can be sought from the school's SPHE and RSE Policy.

CONFIDENTIALITY

All information regarding concerns of possible child abuse and neglect should be shared only on a **'need to know'** basis in the interests of the child. The test is whether or not the person has any legitimate involvement or role in dealing with the issue.

However, giving information to those who need to have that information, for the protection of a child who may have been abused or neglected, or is being abused and neglected, or is at risk of abuse or neglect is not a breach of confidentiality.
