

WICKMUN 2025

**RULES OF PROCEDURE
&
INFORMATION BOOKLET**

WELCOME

DEAR DELEGATES, CHAIRS, ADVISORS AND GUESTS,

WELCOME TO THE 3RD ANNUAL WICKMUN CONFERENCE!
IN THIS BOOKLET, YOU WILL FIND:

- RULES OF PROCEDURE
- A MAP OF THE SCHOOL + COMMITTEES
- COMMITTEE TOPICS + COMMITTEE EMAILS
- COMMITTEE CHAIRS
- DELEGATIONS
- THE WICKMUN SCHEDULE

After a long year of hard work and planning, WICKMUN is finally here! I would like to welcome you all, and wish you all the best for the duration of the conference!

I started MUN in third year, and at my first conference I hadn't a clue what was expected of me or how MUN worked. Yet only 2 years later I am the Secretary General - time goes so fast!

I would like to recommend new delegates to try to do what I didn't do at my first conference. Ask a simple POI, make a short speech. Above all - enjoy yourself. Talk to people, make friends,

have fun!
Good luck...

-Ayah Mohamed, Secretary General

RULES OF PROCEDURE

General Etiquette

All delegates should be dressed in formal attire for the duration of the conference. All delegates should be respectful towards the Chairs and other delegates, and no insulting or abusive language will be tolerated. Delegates should stand when making a speech or POI, and there must be no direct dialogue between delegates while debate is in session.

Resolutions Submission and Debate

Delegates submit resolutions in advance of the conference, which are approved by the WICKMUN team. Delegates whose resolutions are chosen for debate will be told during the conference. Please note that **ALL DELEGATES AND CHAIRS** must bring a device, as we will be a paperless conference.

When a resolution has been decided on for debate, the Chair will call upon the main submitter of the resolution to take the floor and read one clause in their resolution. They will then allow a period of time for delegates to read the resolution, before asking the main submitter to commence with their opening speech, which should be no longer than 3 minutes.

The main submitter may choose to accept or refuse points of information, yielding their time to either another delegate or back to the Chair. Delegates from the same school may not yield to each other. There can be no more than one consecutive yield (a delegate that has been yielded to by another delegate must yield their time back to the chair).

RULES OF PROCEDURE

Amendments

Amendments should be submitted to the Chair via the Committee emails. They must state clearly who submitted the amendment and what change is being made to the resolution:

**eg. Amendment submitted by :[delegation name]
Strike clause 1 and replace with [new clause]**

**eg.2 Amendment submitted by [delegation name]
Change clause 2 to read [amended clause]**

Delegates may not amend more than one clause at a time.

eg. Change clause 2 to read [amended clause] and change clause 3 to read [amended clause] - NOT IN ORDER!

Amendments to the second degree are in order at WICKMUN. Note that if an amendment to the second degree passes, the original amendment as a whole passes automatically. However, if the amendment to the second degree fails, the committee will resume debate on the original amendment.

Amendments to the third degree are not in order at WICKMUN.

RULES OF PROCEDURE

Timing + Voting

The Chairs will aim to debate between 3 and 5 resolutions over the duration of committee time at WICKMUN (excluding the Security Council). We recommend a timeframe of 40mins-1hr per resolution before voting, but this is only a guideline and timing will be left to the discretion of the Chair.

When voting on resolutions and amendments, delegates may vote in favour, or against, and they may also abstain from any vote.

A majority vote passes a resolution/amendment in all committees except the Security Council, in which 9 members must vote in favour.

Motions to split the house are not in order. If votes are tied, the resolution automatically fails.

Points + Motions

Point of Personal Privilege: This should only be used by delegates for audibility or visibility issues, eg. if they cannot hear the speaker or see an amendment.

Point of Information (POI): After a speech, the speaker can choose to accept points of information from the floor. These points are addressed to the speaker.

Right to Respond/Right to Reply: If a delegate feels that the speaker has not adequately answered their POI, they may ask for the right to reply. This may be granted or denied at the discretion of the Chair.

Point of Order: This is a point of clarification on the legality of an aspect within a debate. These should be in note form, and sent to the chair.

Point of Parliamentary Inquiry: A question directed to the Chair regarding the procedure of debate, should be sent in note form to the chair.

Motion to Move to the Previous Question (motion to move directly to voting procedure): This is a motion that delegates may propose if they feel that there has been sufficient debate on the resolution or amendment being debated. Other delegates in the room may second this or object to it, and the decision will be at the discretion of the Chair.

Note: *The only point that can interrupt a speaker is a point of personal privilege. All other points should be said after a speaker has finished making a speech.*

RULES OF PROCEDURE

Note Passing

Note passing will be in order. There will be admin stationed in each committee to pass notes. Please keep in mind that all note paper must clearly state the name of your delegation. Admin will be checking notes and will not pass any inappropriate notes. Please refrain from passing any offensive or inappropriate messages. Please note that WICKMUN will be paperless. Delegates must bring their own notepaper as we will not be providing any.

The Question of Funding

Funding is not a valid point of discussion at WICKMUN. It is assumed that funding for resolutions will come from the World Bank. Delegates may discuss necessity of funding, its distribution, or its effectiveness. Delegates may not discuss amounts or sums for funding, or where funding will come from. It is an unresolvable debate that may waste committee time. However, delegates may amend resolutions to include mention of the World Bank.

General Assembly

The Chairs of each committee will select a resolution each to be debated by the General Assembly.

Amendments are not in order in the General Assembly.
